The Next Edition is a different kind of conference. Using the latest presentation technologies and teaching methods you actively join the faculty in dynamic sessions that challenge and inform.

It is a full immersion into the principles behind, and day to day management of, the clinical challenges you encounter in today's vascular lab. You see, hear and interact with vascular ultrasound's best practices. And you will return to your practice with better knowledge and abilities.

CURRENT PRACTICE OF VASCULAR ULTRASOUND: The Next Edition draws from IAME’s experience in over 2 decades of educational outreach to nearly thirty thousand participants.

Faculty

**Esther Kim, MD, MPH, RPVII**
Associate Director, Non-Invasive Vascular Laboratory
Cleveland Clinic Heart and Vascular Institute
Cleveland, OH

**Marsha M. Neumyer BS RVT FSVU FAIUM**
International Director
Vascular Diagnostic Educational Services
Vascular Resource Associates
Harrisburg, PA

**Jeffrey W. Olin, DO**
Course Co-Chair
(San Francisco Only)
Professor of Medicine
Mount Sinai School of Medicine
Director of Vascular Medicine and the Vascular Diagnostic Laboratory
Zena and Michael A. Wiener Cardiovascular Institute
Marie-Josée and Henry R. Kravis Center for Cardiovascular Health
The Mount Sinai Medical Center
New York, NY

**John S. Pellerito MD FACR FSRU FAIUM**
Course Co-Chair
(Chicago Only)
Associate Chairman, Strategic Planning and Technology
Chief, Division of Ultrasound, CT, MRI
Director, Peripheral Vascular Laboratory
Department of Radiology
North Shore University Hospital
Associate Professor of Radiology
Hofstra North Shore - LIJ School of Medicine
Manhasset, NY

**Joseph F. Polak, MD, MPH**
Course Co-Chair
Professor of Radiology
Tufts University School of Medicine
Vice-Chair of Business Development
Tufts Medical Center
Chief of Radiology
Lemuel Shattuck Hospital
Boston, MA
The Next Edition features

- Dual screen projection with multimedia display of video cases, scanning demonstrations, correlative imaging or audience feedback throughout the meeting
- Extensive faculty-audience interaction using the newest digital communication tools
- Conference syllabus available on flash drive, iPad/android app and online
- And many more new aids to learning

As always the program provides you with:

- Extensive reviews of Doppler waveforms
- Emphasis on technical tips and tricks of the trade
- Exam interpretation, reporting, differential diagnoses and physiology
- Updates on the most current guidelines and appropriate use criteria
- Integration of vascular imaging with current issues in clinical practice
7:00 AM  REGISTRATION AND MORNING REFRESHMENTS

8:00 AM  Doppler instrumentation: Getting The Best Image (and Waveform) – Neumyer

8:30 AM  Hemodynamics: from Arteries to Veins – Pellerito (Chicago) or Olin (SF)

9:00 AM  Carotid Pathologies You Need To Know – Kim

9:30 AM  Carotid Evaluation: Normal and Abnormal: Protocols and Examination – Neumyer

10:00 AM  COFFEE BREAK IN EXHIBIT HALL

10:30 AM  Trending Now in Carotid Interpretation –
JF Polak, Moderator – Kim, Neumyer, Pellerito (Chicago) or Olin (SF)

11:15 AM  Audience Waveform Challenge – Neumyer & Kim

12:00 AM  OPTIONAL LUNCH SESSION
  Resolving Quality Assurance Issues: A Clinical Case Review – Pellerito (Chicago) or Olin (SF) and Polak (Pre-registration required)

1:30 PM  Post Carotid Intervention Case Review –
E. Kim, Moderator – Neumyer, Pellerito (Chicago) or Olin (SF)

2:15 PM  Carotid Artery Disease: Interpreting With The Experts –
JS Pellerito (Chicago), or JW Olin (FSF) Moderator – Kim, Neumyer, Polak

3:00 PM  COFFEE BREAK IN EXHIBIT HALL

3:30 PM  Hemodialysis Access: What You Need To Know – Kim & Neumyer

4:00 PM  How to Cope with Incidental Findings –
M Neumyer, Moderator – Kim, Polak, Pellerito (Chicago) or Olin (SF)

4:30 PM  Masters Case Challenge –
JS Pellerito (Chicago), or JW Olin (FSF), Moderator – Kim, Neumyer, Polak

5:15 PM  Carotid IMT: Approaches and Reliability – Polak

5:45 PM  END OF DAY Q & A WRAPUP

6:00 PM  ADJOURN

Chicago, Illinois  
April 15-16, 2016

Intercontinental Chicago  
505 North Michigan Avenue  
Chicago, IL 60611  
Rate: $229 plus applicable taxes for Grand Tower guest rooms  
Reservations: 800-628-2112 or 312-944-4100 and specify code ERN

Cut-off Date: March 25, 2016

Set on the Magnificent Mile, this grand, luxury hotel dates from 1929. It's a mile from the lakefront, and a 13-minute walk from Millennium Park. Purchased by InterContinental Hotels in 1988, a quarter of a billion dollars and 12 years later, this truly magnificent hotel was re-introduced to Chicago.

Our block is based on a limited number of rooms. Neither IAME nor the hotel can guarantee that these rooms will not sell out prior to the stated deadlines. To avoid disappointment, we encourage you to book early.

San Francisco, California  
April 29-30, 2016

InterContinental Mark Hopkins  
San Francisco  
999 California Street  
San Francisco, CA 94108  
Rate: $269 single or double plus applicable taxes  
Reservations: 800-662-4455 and specify IAME

Cut Off Date: April 4, 2016

This elegant 1926 hotel in Nob Hill is a 6-minute walk from Union Square and 1.2 miles from Ferry Building Marketplace. Our block is based on a limited number of rooms. Neither IAME nor the hotel can guarantee that these rooms will not sell out prior to the stated deadlines. To avoid disappointment, we encourage you to book early.
How many Vascular CME credits do you need?

- **EARN 20 VASCULAR CME CREDITS**
  by attending the conference, the optional lunch sessions and with your 3 free online CME vouchers. (when you sign up you receive complimentary vouchers for 3 credits at our online CME library)

- **EARN MANY MORE**
  through our vascular DVDs (15 credits each) or our growing library of online courses and streaming videos

VISIT IAME.COM/VASC FOR MORE INFO

CME Information

The Institute for Advanced Medical Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Institute for Advanced Medical Education designates this live activity for a maximum of 17* AMA PRA Category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

WHEN YOU REGISTER YOU ALSO RECEIVE VOUCHERS FOR 3 FREE ONLINE CME CREDITS.

Sonographers and Vascular Technologists: Credits earned at this conference are accepted by ARDMS
Radiologic Technologists: You will receive CEUs accepted by ARRT
Lab Accreditation: You can use these credits to satisfy the CME requirements for Lab Accreditation
*Fifteen for the conference and one credit each for attending the optional lunch sessions.

This product is not affiliated with or endorsed by ARDMS®.

You can register online at iame.com/vasc
REGISTRATION APPLICATION

Current Practice of Vascular Ultrasound 2016

- Chicago, Illinois – April 15-16
- San Francisco, California – April 29-30

Early Bird Tuition

Chicago, IL
Postmarked by March 25 – San Francisco, CA
Postmarked by April 8

- $875 | Physicians
- $675 | Retired physicians/sonographers/vascular technologists
- $675 | Residents/fellows/full-time military (letter required)

Standard Tuition
Please add $40 to the Early Bird Rate

Chicago, IL
Postmarked after March 25 – San Francisco, CA
Postmarked after April 8

Special Lunch Program (lecture, course materials and box lunch)

- $75 | Friday
- $75 | Saturday

Alumni Circle Members: Deduct $50 from your tuition

Online Courses (a partial list):

- Carotid Ultrasound Case Series
- Basics of Extracranial Carotid Artery Duplex Ultrasound–
- Duplex and Color Doppler of the Kidney
- Liver Duplex Examination
- Mesenteric Duplex Examination–

Visit iame.com/online for more

Streaming Video Lectures (a partial list):

- Carotid Artery Protocols and Standards
- Basic Carotid Interpretation
- Physiological Testing of the Arteries:
  Basic Interpretation

Vascular Ultrasound: An Intensive Review

3rd Edition

Vascular Ultrasound: An Intensive Review is a 15 hour program conducted by Dr. Joseph Polak and Dr. John Pellerito. It is designed to cover all the important areas of vascular ultrasound evaluation - carotid, peripheral and abdominal applications - with lectures and extensive case-based illustrations. This is the third edition of our most popular DVD course!

- Apply hemodynamic and Doppler principles to optimize vascular ultrasound studies
- Achieve improved recognition of complex and unusual Doppler image information
- Achieve improved patient outcomes through vascular ultrasound practice

Vascular Ultrasound: An Intensive Review is also an excellent way to help prepare for the RPVI and RVT exams.

SA-CME Credits: 15 (includes SAM credits)

FACULTY
John Pellerito, MD, FACR
Joseph F. Polak, MD, MPH

Vascular Lab Essentials

Vascular Lab Essentials features a multi-disciplinary faculty of renowned radiologists, vascular medicine specialists and vascular technologists. It is ideal for radiology practices that want to expand applications and demonstrate state of the art techniques.

SA-CME Credits: 15 (includes SAM credits)

FACULTY
Ann Marie Kupinski PhD  Joseph F. Polak MD
Michelle L. Robbin MD  John S. Pellerito MD
Thom W. Rook MD  Myron A. Pozniak MD
